ORGANIC FEDERATION  
OF UKRAINE

Since 19th century Ukraine is known  
as the Granary of Europe

In Ukraine 42 mio ha of agricultural  
land (70% of the total area)

1% of all agricultural land is Organic

Average size of organic farm –  
almost 2 000 ha

Our aim is to become the Organic  
Breadbasket of Europe

# Multifunctional character of agriculture and land

Develop rural areas

Protect biodiversity

Improve soil quality

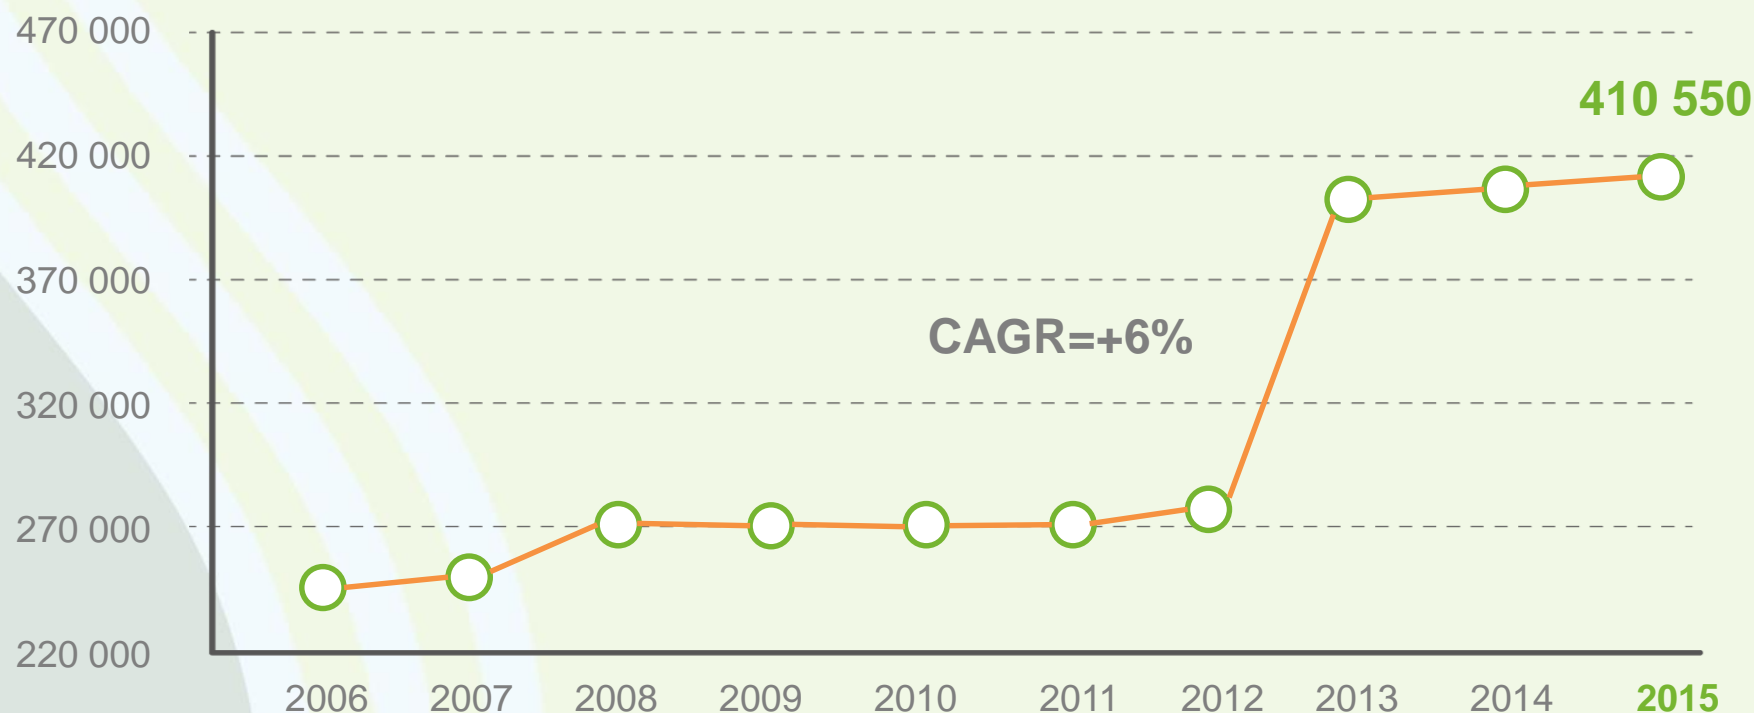

Supply Ukrainian and international customers with safe,  
high-quality organic produce

Improve well-being of Ukrainian people

# Ukrainian organic agricultural area, ha

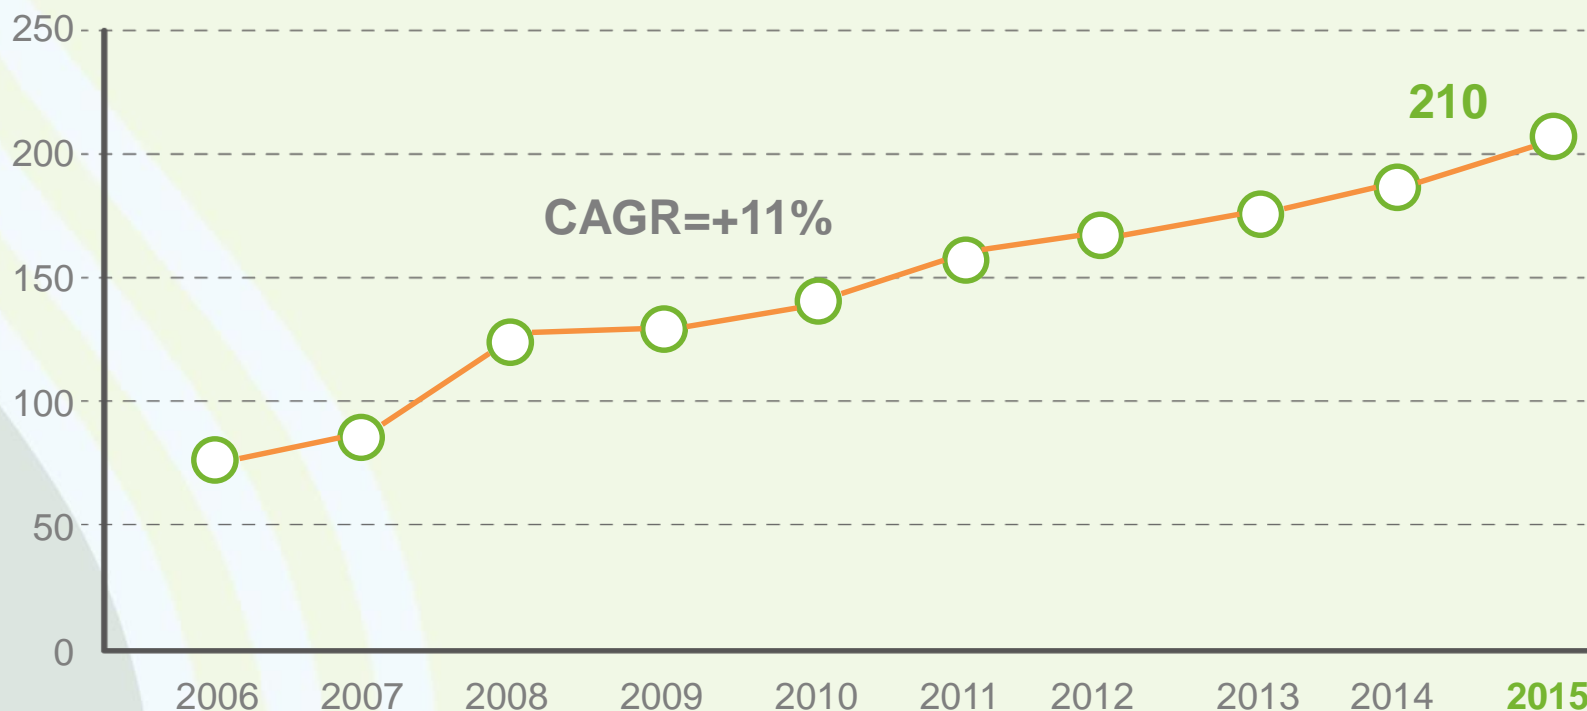

**No22** in the World
