

Online conference dedicated to the World Day for Farmed Animals “Working together to ensure the welfare of farmed animals in Ukraine”

Dates: October 2-3, 2024

Duration: Kyiv time

October 2 - 9:30-13:00

October 3 - 9:00-13:00

Location: online

Videoconference: using the ZOOM platform (the link will be sent after registration via the link <https://forms.gle/UiwnUoT884vsYrUh8>)

Participants:

representatives of Ministry of Agrarian Policy and Food of Ukraine, State Service of Ukraine on Food Safety and Consumer Protection, professional associations, business operators, educational and scientific institutions, international technical assistance projects (ITA projects), and other stakeholders.

Conference goal:

unite all target audiences and raise awareness of the importance of harmonizing national legislation on welfare of farmed animals to EU requirements, of implementing animal welfare requirements during keeping, killing and transporting of farmed animals and of the functioning of an effective official control system on compliance with these requirements for European integration and the development of international trade.
